Pancake Breakfast Fundraiser, May 2024 in Atwood

We would like to express our appreciation and say thank you to all of you who supported the breakfast fundraiser. And also, a big thank you to all who have given financial support, prayer support and moral support in the past, presently and continue to do so. With grateful hearts, From all of us at Peaceful Heart Ministries.

What is inside?

You are holding a cup of coffee, and someone comes along and bumps you, the coffee spills? Why? Because you got bumped. Wrong answer. It is because you had coffee in your cup. Whatever is in your cup when you get bumped will spill out. In this life, it is like we are a cup and whatever we are full of will spill out when we get bumped. The question then is, what comes out of you when you get bumped in life? Is it Humility? Joy? Peace? Gratitude? Anger? Rage? Bitterness? a Victim Mentality? or I Quit?

Therefore, an important question to ask ourselves is a question God asked Adam when he came into the Garden of Eden after Adam and Eve ate the fruit. God asked Adam, "Adam, where are you?" Or we can ask ourselves the question "what am I full of?"

Life gives us many opportunities to get bumped. And what we are full of will spill out without any effort. It automatically will spill out and those around us will be affected by the spill, whether positive or negative.

The moral of this analogy is if when you get bumped and what spills out is negative, it is time to take a long hard look on how to resolve the issues inside so when the inevitable happens and you get bumped that whatever spills out is pleasing to God and affects those around us in a positive manner. May God bless you and guide you on the journey of life as you get bumped.

Thank you for your support

Peaceful Heart Ministries has been investing in the lives of others for almost 10 years. Gerald Weber was a vital part of the beginnings and work of this ministry. Before the board was organized in 2016, he and Marilyn practically demonstrated an interest in Dave's counselling out of his basement office, by hosting many out-of-area clients in their Bed and Breakfast. They also helped facilitate the initial seminars. When the board organized, he accepted the position of chairman which he led with integrity for many years. As with any ministry,

Peaceful Heart Ministries has continued to be blessed by the generous help of many people. This year, Jake Friessen has joined the board, replacing Gerald. Pete and Jan Shantz and David and Mary Ann Jantzi currently provide Bed and Breakfast lodgings. Change, although at times unsettling, gives opportunity for others to join the ministry. Thank you, Gerald and Marilyn, for your many hours of selfless service and the positive impact you have had on many lives throughout the years and specifically on Peaceful Heart Ministries. Welcome to Jake and Lisa, and their children Eva, Isaiah and Micah and blessings to Pete and Jan and Dave and Mary Ann as you partner with the ministry.
