In honor of Franklin Roth,

Franklin was a faithful encourager of our ministry – long before Peaceful Heart Ministries was officially registered. He was a quiet pillar behind the scenes, offering both vision and support for the work we felt called to do.

Many a Sunday morning when we would meet him in church he would ask, "Are you okay?" "Is your family okay?" "Are you able to provide for your family with your income?". He had a favorite phrase he often shared with us: "Keep on keeping on." Those words became a steady encouragement through many seasons.

Franks' support extended beyond words. On occasion, he would sit in sessions, along with his wife Mabel, offering quiet presence and prayerful backing. His humility, compassion for hurting people, and unwavering support deeply touched our hearts.

Although Franklin has gone home to be with the Lord, his memory is etched in our hearts. We will always be grateful for the time we shared with him and the legacy of kindness and faith he left behind.

We would like to express our gratitude to all of our donors who make this ministry possible. At Peaceful Heart Ministries, our goal is to walk alongside the hurting and help them find freedom and wholeness in Christ, both spiritually and emotionally, so they can be an asset to their family, church, and community.

We believe in the transformative power of love, faith, and community, fostering an environment of understanding and acceptance for all. In order to achieve this, we need the support of our churches and communities- both prayer and financial support. As our schedules fill up, and the need seems to be growing, we look forward to being able to hire another mentor. Of course, with greater need, comes a need for more finances as well. We appreciate your prayerful consideration of this matter. Every prayer and every dollar make a difference!
